COGNITIVE-BEHAVIORAL THERAPY FOR HOARDING DISORDER

OVERVIEW PROGRAM ACCREDITATION REGISTER

This multi-week course will focus on cognitive-behavioral therapy for hoarding disorder. Participants will be provided with information on the most recent hoarding psychopathology research that informs treatment. The course will subsequently break down the various therapeutic techniques used in CBT for hoarding into weekly modules. Each module will impart the use of techniques through description, visuals, case examples and video vignettes. Modules will include but will not necessarily be limited to, assessment/psychoeducation, motivational interviewing, skills building, cognitive restructuring and exposure and response prevention.

REQUIRED READING

The required reading for this course is a therapist guide that can be purchased via the link below:

Additional Instructions

Editing Your Account

Please view the user guide at the youtube link below:

<https://www.youtube.com/watch?v=VrDcf0n8jag>

Editing Account Details

After logging in, you can edit your account details.

1. Navigate to the home page.
2. Log in to the site.
3. Click on the "My account" link at the top right corner of the page.
4. Click on the "Edit" tab" at the top of the page. The following may be edited:
5. Edit the email address.
6. Enter a new password for the learner.
7. Check or uncheck the "Personal contact form" checkbox.
8. Click the "Save" button

Editing Profile

After a learner has logged in, they can edit their profile to update personal information.

1. Log in to the site.
2. Click on the "My account" link at the top right corner of the page.
3. Click on the "Edit" tab.
4. Click on the "Profile" subtab.
5. Edit the desired information.
6. Click "Save."

Resetting Lost Password

If the learner is unable to remember their password, they must reset it.

1. Click the "Log in" link in the upper-right corner of the screen.
2. Click on the "REQUEST NEW PASSWORD" tab.
3. Enter the learner's username or e-mail address.
4. Click the "E-mail new password" button.
5. Click the link in the email sent to the learner.
6. Enter a new password in the form that appears.
7. Click the "Submit" button.

Bookmarking

Bookmarking can be used whenever a learner or administrator would like to revisit the course at a later point in time. Bookmarked courses appear in the User Profile section.
